Appomattox Seventh-day Adventist Church
Elder Earnest Clark, Pastor of the Lynchburg Park Avenue Adventist Church, was guest speaker Sabbath, Oct. 10 for the 11 o'clock Service. Topic— "Sowing and Reaping'. Key Text, 2 Cor. 9:6. But this I say, He that soweth sparingly shall also reap sparingly and he which soweth bountifully shall also reap bountifully."

The Pastor said "There is a suggestion here that we will get out of anything just what we put into it. There is a price to pay for a bountiful harvest. Looking for bargains in spiritual things there is no cut rate prices, but we sometimes get the idea that our selfishness will produce unselfishness. Listen to what the wise man says about this in Prov 11:24, 25, "There is that scattereth and yet increaseth and there is that withholdeth more than is meet, but it tendeth to poverty. The liberal soul shall be made fat; and he that watereth shall be watered also himself."

"In John 5:2, the waiting multitude at Bethesda pool had only one thing in common, they were an impotent folk, blind, halt—withered, hoping for a miracle to be performed to heal them, "We have all these today among us, lame and withered Christians who say "It can't be done; their first love is gone, Some are like a door on a hinge they go to church and go home repeatedly. A Small boy holding his glass of milk up asked his mother, "How deep shall I drink"? We should said Mr. Clark drink deep from God's word and go out and share it with others."

He continued I am expecting God to do something in Appomattox, in Lynchburg or I would not be here this morning. Only the one man was healed at the pool that day, for only one man believed. I would like to challenge the church today, the challenge is centered in evangelism. It has a message and it must be given to the world. Let's reach out and do more in the future than in the past. Plan great things from him. We must do our best, if we would reap a bountiful harvest.

Last Saturday being Visitor's Day we were honored with 19 visitors present.

Jim Smith Wins

The Distinguished Service Award was presented to James A. Smith, county agent for Appomattox, at the climax to the annual meeting of the National Association of County Agents which began Oct. 4 at the Jung Hotel in New Orleans.

Smith was one of three Virginia agents receiving the DSA

* * *

Other Virginia agents receiving certificates were Harold A. Little of Essex County and Roy U. Nottingham, of Northampton County.

Smith, who has been county agent at Appomattox for 13 years, was cited for having achieved greater income for his county through his educational work with commodity groups; for his leadership in developing farming organizations that handle feeder calves, wool, and feeder pigs, resulting in a greater county income; for his outstanding leadership in civil defense; and for his help with the county 4-H programs.

Millner Serves As FFA Delegate

Ronald Millner is attending the National FFA Convention in Kansas City, Missouri, this week as an official delegate from the Virginia Association FFA. Ronald was elected one of the two delegates from Virginia at the annual FFA Rally of the Virginia Association held on the VPI campus in June. At present Millner is serving as president of the Virginia FFA Association.

Eugene Shirey, president of the Robert E. Lee Chapter, is attending the National Convention as a representative from his chapter. He along with his advisor, Dennis W. Torrence, were on stage at the Convention Wednesday night to receive the gold emblem awarded for the Robert E. Lee Chapter. A most impressive ceremony was held for the recipients of the award.

Dillard Franklin was among the more than 375 FFA members that received the American Farmer Degree Wednesday afternoon in the huge auditorium in Kansas City. Dillard is one of the ten members from Virginia that received the highest award that a FFA member may receive from the National FFA.

While in Kansas City the delegation from Appomattox will participate in the National Convention and tour points of interest in Kansas City. Among the places the group will visit will include the Harry Truman Library, the Agriculture Hall of Fame, local implement factories, and the Kansas City stockyards.

The group, traveling by train, will return Sunday, Oct. 18.

NEW WESTINGHOUSE HEAVY DUTY 15 WASHER: ENGINEERED TO PREVENT COSTLY REPAIR BILLS

. . . and Only Westinghouse has it!
The new Westinghouse Heavy Duty 15 is specially engineered to prevent costly repair bills . . . engineered to wash any size load from your smallest up to big 15 pound family-size loads of your toughest wash year-after-trouble-free-year. The Heavy Duty 15 was tested for over 5000 complete wash cycles (about 10 years use in the home) and was still going strong. This is the automatic designed to wash your big loads better and keep running longer.

The new "Heavy Duty 15" Laundromat® Automatic Washer has been checked rechecked and tested through and through to minimize the chance of costly repairs. We built the transmission (the cause of costly repair bills) half again as large as those found in other automatics.

ONLY WESTINGHOUSE HAS IT . . . The Biggest Transmission of All. The heart of the Heavy Duty 15 is the biggest transmission in the industry . . . specially designed to keep up with the demands of wash and engineered to last years-after-year and prevent costly repair bills.

ONLY WESTINGHOUSE HAS IT . . . The Agitator with specially angled vanes. Westinghouse Agitator "agitates" clothes gently but firmly back and forth in the water, then with the agitator's vanes angled backwards, the ribbed basket moves forward for a second washing action, no other washer has this Double Action Washing!

THE WESTINGHOUSE HEAVY DUTY 15 CAN BE YOURS FOR AS LITTLE AS **2.50 PER WEEK**

Model LAF200—6 Preset Automatic Wash Programs, Prewash Setting, Extra Rinse Switch, 2 Deep-Flush Rinses, Regular Wash-And-Spin Speed, Gentle Wash-And-Spin Speed, Automatic Bleach and Fabric Softener Dispensers, 5-Position Water Saver, Cold Water Wash and Rinse, Load Markers, Automatic Safety Lid Lock, Interior Tub Light, Full Width Fluorescent Light, New Lint Filter and Recirculation System.

Now! '65 Chevrolet

'65 Chevrolet Impala Sport Coupe—with new Sweep-line roof.

If what you see moves you, wait'll you take the wheel
(V8's with—GRRRR!—up to 400 hp)

One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without stepping into the higher price brackets. But one drive will tell you a lot more.

You've got *your* kind of engine going for you. There's an even half dozen of them available this year—anything you name from a quieter, sweeter running 6 to a V8 with the authority of 400 hp. And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-Stance design, and made our famous Jet-smooth ride smoother and more stable than ever.

Beginning to feel like it's your kind of car? There'll be no doubt about it when you drive the real thing at your Chevrolet dealer's.
